Product Description

The German artist Uli Oesterle has been working as a freelance graphic designer, illustrator and comic author since his training at the Academy of Design in Munich. As such, he has published his works in various books, shown them in exhibitions and won several prizes for them. The best foundation for outstanding puzzle cartoon art! Discover the Sugar Hills motif: Hmm, that looks delicious! With this delicious motif, you should definitely put some delicacies next to the puzzle table, otherwise your teeth will drip too much! Picture! - 1,500 pieces - Dimensions puzzle: 800mm Puzzle funyesterday, today and tomorrow. Both our manufacturer and Athesia Kalenderverlag itself have been FSC-certified companies for several years now. Now it's time to take the next step: From the 2024 programme, HEYE puzzles will be gradually converted to plastic-free production. This will start with the new products, some of which are already completely free of plastic bags and shrink-wrapping. The only "art material" that will remain are the motifs themselves - still the finest, coolest, trendiest, most exciting, likeable, atmospheric, cosy, exclusive and definitely the best puzzle material!
