Product Description

Vienna - Classic Edition by Queen Games-Item number: 261033-EAN: 4010350261033-Author: Stefan Feld-Illustrator: Lukas SiegmonOne agent alone is not enough! You are the head of a secret organisation and control the fate of your agents in the streets of Vienna, always on the lookout for high-ranking informants and their secret information from the worlds of art, politics, religion, the military and science. Round after round, you play cards that support you in different ways in your hunt for secret information. You can improve your own actions, obtain new bribes to infiltrate the buildings controlled by different nations with your agents, or gather more knowledge about the secrets. Whoever has the most points at the end of the game wins! Number of players 2 - 4 people Suitable for ages 14 and up Playing time 60 - 90 minutes Packaging 295 x 295 x 77 mm
