### Product Description

Witch Cat, Dreaming by Heye Item number: 300302 EAN: 4001689300302 Illustrator: Jeremiah Ketner The American artist Jeremiah Ketner is a creator of fairytale worlds. His multi-coloured landscapes are populated by thoughtful, dreamy young women and whimsical mythical creatures. The sources of inspiration for his unique and now internationally recognised style are Art Nouveau, Japanese aesthetics and cartoons. Discover the Witch Cat motif: Jeremiah Ketner once again casts a spell: a pointy little hat may not make a witch, but this cute cat makes a very special puzzle motif. 1.000 pieces Puzzle dimensions: 500 x 700mm Puzzle fun yesterday, today and tomorrow. Both our manufacturer and Athesia Kalenderverlag itself have been FSC-certified companies for several years now. Now it's time to take the next step: From the 2024 programme, HEYE puzzles will be gradually converted to plastic-free production. This will start with the new products, some of which are already completely free of plastic bags and shrink-wrapping. The only "artificial material" that will remain are the motifs themselves - still the finest, cool, trendy, exciting, likeable, atmospheric, cosy, exclusive and definitely the best puzzle material! Packaging 370 x 54 x 270 mm
