Product Description

Sea Salt and Paper by MM Spiele-Item number: 010602-EAN: 3770000010602-Author: Bruno Cathala, Théo Rivière-Illustrator: Pierre-Yves Gallard, Lucien Derainne Do you prefer collecting pairs of crabs or fish? Or have you come across so many penguins and shells that a collection might be worthwhile? A mermaid could also be a good addition to your collection! In the card game "Sea Salt & Paper", we set off into a colourful ocean of wonderful card motifs. Each turn, you can expand your hand of cards and play them to score points. The special highlight: as soon as you have reached 7 points with your cards, you can end the round. But before you do, you have to decide: Risk or certain victory? With a sure win, you end the round immediately. If you opt for the "last chance", each player gets one more turn and could beat your score. However, if you still manage to hold your own, you will receive additional points! "Sea Salt & Paper" is a card-collecting game for the whole family aged 8 and up. The design captivates with enchanting origami motifs.-Card-collecting game with a special design-Licensed use of the ColorADD code, which enables colour-blind people to recognise colours.-Awarded the "2023 Game of the Year Recommendation List" The game contains cards in the standard card size: 63 x 88 mm.-Number of players 2 - 4 people-Suitable for ages 8 and up-Playing time 30 minutes-Packaging 100 x 70 x 35 mm
