Product Description

Witchstone - Full Moon by HUCH! Item number: 882608 EAN: 4260071882608 Author: Reiner Knizia, Martino Chiacchierelli Illustrator: Mariusz Ganzel, HUCH! Another 100 years have passed and once again witches and wizards meet at the Witchstone. The full moon illuminates the night and, as everyone knows, witches and wizards develop very special powers when the moon is full. Their abilities become more powerful and the concoctions in their cauldrons even more effective. In this expansion to the strategy game Witchstone, you can combine new modules at will, which lead to even stronger combinations, but also require new strategies. Your abilities can be strengthened each round, which you can activate with the help of your animal companions. You can also collect new special tiles for your cauldron to conjure up even better chains of action-Expansion to the successful game-3D miniature and more new game material Number of players 2 - 4 Suitable for 12 - 99 years Packaging 48 x 133 x 183 mm
