## Product Description

Vernusst nochmal! by HUCH!- Item number: 883025- EAN: 4260071883025- Author: Blaise Muller- Illustrator: Jeux Opla, HUCH!Wonderful, a forest full of nuts! In autumn, the squirrels have been busy collecting and hiding supplies for the winter. But where exactly? To get to the coveted nuts, the players have to correctly name all the backs of a row. There are three shapes on the forest cards (mushroom, leaf, stone) in three different colours (red, blue, yellow). Simple, isn't it? Well ... No sooner have you memorised the colours or shapes than you no longer need to. Because if a player wins a nut card, the rules change for the other players. Instead of colours, shapes have to be remembered correctly and vice versa. Remember again! The first player to collect five nuts wins the big nut hunt. -The nut-collecting fun with memo twist-With variants for clever "nutcrackers"Details- Number of players 2 - 4- Suitable for 6 - 99 years- Playing time 10 minutes- Packaging 40 x 122 x 122 mm
