Product Description

Degano Yogaland by HEYE-Article no.: 30047-EAN: 4001689300470 Cartoon artist Marino Degano is at home in many cultures. Born in Italy, raised in Germany and currently based in France, he is familiar with the quirks, nooks and crannies of the European population and is not in the least afraid to make fun of them in his charmingly ironic masterpieces. Discover the Yogaland motif: Good heavens, what yoga poses there are! But even better are the ones that Degano has come up with himself. If you can do them, you'll be healthy straight away :-)! -1,500 pieces-Puzzle dimensions: 800 x 600mm Puzzle fun yesterday, today and tomorrow. Both our manufacturer and Athesia Kalenderverlag itself have been FSC-certified companies for several years now. Now it's time to take the next step: From the 2024 programme, HEYE puzzles will be gradually converted to plastic-free production. This will start with the new products, some of which are already completely free of plastic bags and shrink-wrapping. The only "art material" that will remain are the motifs themselves - still the finest, coolest, trendiest, most exciting, likeable, atmospheric, cosy, exclusive and definitely the best puzzle material!
