### Product Description

This time, your hike will take you along new paths: Cross bridges and pass windmills on your way to the observation tower, from the top of which you can observe the flora and fauna through your binoculars. Venture into the darkness of the cave and marvel at special animals and plants as well as cave paintings. Or discover nature from the air on a balloon ride - but always keep an eye on the wind direction! The expansion Meadow: In the Realm of Nature - Adventure Book takes you on unique hikes. Along the way, you'll learn to see nature through new eyes, and at the end, a cave full of exciting discoveries awaits you! Each page in the adventure book introduces new game material and lets you experience Meadow in a completely new way!
