Product Description

The moon bathes Lord Shadow's villa in a pale light. You are here as guests of Lord Shadow, who has invited you to a festive dinner. You have just been invited to the table when a shrill cry rings through the house: "Ahhhhh, Lord Shadow is dead!" Quick-witted, the butler closes all the exits and a question is written on everyone's face: Which one of you murdered Lord Shadow? In the deduction and bluffing game Murder in the Shadow Mansion, you play your cards and use their effects to unmask the perpetrator of Lord Shadow's murder. At least that's what most of you want to do. Are you the perpetrator or an accomplice? Then try to keep a low profile and escape the watchful eyes of the detectives and police officers. But the very next card can turn everything upside down again and redistribute the roles. Who will emerge unsuspected and victorious from this chaotic whodunit?
