Product Description

"You're still resisting? Unwise." - KX-series droid Riot Control Stormtroopers are deployed to Imperial planets in response to growing unrest. They specialise in pushing back insurgent crowds and containing violent protests among the civilian population. Equipped with heavy shields and electric batons, they are additionally supported by specialised troops such as snipers or fearsome KX-series security droids. This unit expansion for Star Wars™: Legion contains seven highly detailed Uprising Control Stormtrooper miniatures (enough for a Corps unit) as well as a new unit card and new upgrade cards. A Star Wars: Legion base game is required to play.
