Product Description

Star Wars: Shatterpoint Good Soldiers Follow Orders Squad Pack Experience the ruthless precision of the Empire's elite! CT-9904, called "Crosshair", leads an elite unit of the Empire's new Trooper Initiative. These new breed of soldiers are not clones, but volunteers from across the galaxy who have sworn eternal loyalty to the recently proclaimed Galactic Empire. -Players: 2-Age: 14+-Minutes: 90+The "Good Soldiers Follow Orders" Squad Pack for Star Wars™: Shatterpoint expands the skirmish miniatures game with four soldiers from the Galactic Empire. Under the command of CT-9904, called "Crosshair", the squad functions like a well-oiled machine, working with ice-cold efficiency and steadfastly following every order. The elite squad, renowned for its discipline and combat prowess, is the first step towards the Empire's Stormtrooper programme. With it, the Empire will soon be able to impose its iron will on everyone in its sphere of influence. A base game of Star Wars: Shatterpoint is required to play.
