Product Description

About the deck: Dive into the fascinating depths of space with the Bicycle® Stargazer playing cards and let yourself be enchanted by the mysteries of the universe! These beautifully illustrated playing cards take you into a world full of mysticism and awe of one of the most impressive objects in the galaxy: the black hole. The designs and colours of the Stargazer cards are inspired by the swirling clouds that dance around this mysterious phenomenon. A glimpse into another universe. The back of the card features a stunning image that captures the beauty and power of the black hole. Each card is a work of art in its own right, with artistic illustrations and a colour palette that reflects the vastness of space. The card case is also an eye-catcher, finished with a customised seal and reflective chrome/silver foil that mimics the glow of the stars. It's not just storage for the cards, but a real work of art that brings the magic of space to life in your hands. Whether you're a space enthusiast, card collector or just looking for a unique gift, the Bicycle® Stargazer playing cards are a must-have for anyone who appreciates the beauty of the universe. Order your Bicycle® Stargazer deck today and immerse yourself in a world of stars, galaxies and black holes. Because with these cards, every game round becomes an intergalactic adventure! With everything Bicycle® playing cards need: - Unique Air-Cushion® finish for easy shuffling and optimal performance - Printed on premium cardstock - Printed with plant-based ink - Specially designed card backs, symbols and face cards - Fully recyclable playing cards - Face card fronts feature intricate and unique hand-drawn designs - Perfect for game nights, magic and playing card collections - Made in the USA
