Product Description

The complete wheel set is suitable for all 1:10 scale RC on-road vehicles with a rim centre of 12 mm. The high-quality foamed ring insert in combination with the grippy road profile ensures outstanding grip and excellent driving behaviour even in less than ideal conditions. The 10-spoke design of the chrome-plated rims in the colour "smoke" also makes your vehicle a real eye-catcher. Caution! Not suitable for children under 3 years. Choking hazard due to small parts.
