Product Description

The Swede Mattias Ekström decided to say goodbye to the DTM in 2018. This year he got behind the wheel of the Audi RS 5 DTM for the last time and drove his final race at the Hockenheimring. Everyone familiar with Ekström's successes was rooting for this race. If you look at the career of the racing professional, he ends his career with a total of two titles, 23 victories and 20 pole positions. That's quite an achievement.

Would you like to match the racing idol's success - at least on your racetrack? Then send this Audi RS 5 DTM from Mattias Ekström with the starting number 5 into the race. The 1:43 scale slot car looks incredibly similar to its prototype thanks to the Audi, DTM and Red Bull licences. The blue paintwork with the red bulls is unmistakable and makes the car a visual highlight. Your Carrera GO!!! or Carrera GO!!! Plus racetrack is already waiting for it.
