Product Description

Fourtress 320+ red

Full decks, dice, tokens or 320 double-sleeved cards: there is a lot that the Fourtress can hold and protect! This sturdy box is available in 5 different semi-transparent colors, allowing its contents to be easily identified. The integrated lock keeps it safely closed, while two inner walls can be removed to create bigger compartments. The boxes are stackable, so they are both perfect travel companions and a great storage solution at home.

Attention! Not suitable for children under 36 months.
