Product Description

Altered: Beyond the Gates (Starter Deck Mix Display) Centuries ago, life on Earth changed forever: a cataclysm brought beings from the world of stories and dreams into our reality. We formed new alliances with them, and together we built a new civilisation in the refuge of Asgartha. The time has finally come to leave the safety of our walls and explore the changed world. Are you ready to discover what lies beyond the gates? Altered is a two-player trading card game in which each player brings a deck led by a hero card. In Altered, you lead two expeditions to discover and explore the land around your home peninsula of Asgartha. One of your expeditions is led by your hero, represented by the hero's expedition marker. The other is led by his companion, represented by the companion's expedition marker. These expeditions move towards each other over the course of the game, and your goal is to be the first to bring them both together. The starter deck mix display for Altered: Beyond the Gates contains 6 starter decks, one for each of the 6 factions. Each starter deck contains a ready-to-play deck of 39 cards and a hero. You'll also find everything you need to play: Markers, adventure cards and much more. 2 players 13+ Age 20+ minutes Basic game Publisher: Equinox Genre: Trading Card Game, Card Game Category: TCG & Collectibles Mechanism: Deck Building Game content Cards 55 Markers 15 Play mat 1 Game instructions 1
