Product Description

Apart from one famous film star, the humble Beetle has not always been considered the liveliest of all racing cars. But in some series, the little VW proved to be a thoroughly competitive opponent. This particular Beetle, which races in the American Historic Trans AM series, is just that! This car is capable of making even much sportier rivals look old! Add this classic to your Scalextric garage now and win the races as the underdog.- 1:32 scale- Highly detailed- Scalextric digital decoder 500008515- Carson digital decoder 500707130Caution!
