### Product Description

The ready-glued complete wheels can be mounted on all 1:10 scale RC on-road vehicles with a 12 mm rim centre. The high-quality foam inlay of the tyres in combination with the grippy road profile guarantees excellent driving characteristics even in unfavourable conditions. The partly chrome-plated rims with golden spokes in an airy Y-design also give your RC vehicle a very special look. Caution! Not suitable for children under 3 years. Choking hazard due to small parts.
