**Product Description**

-Length 31 cm / 12.2?-Height 11.5 cm / 4.5?-Wingspan 22 cm / 8.7?-Number of parts 500-Number of figures 1-Age group 8+The F-16 Fighting Falcon is a multi-role aircraft manufactured by the American company General Dynamics. It has been produced by the defence megacorporation Lockheed Martin since 1993. It is used by the air forces of dozens of countries around the world. The AM version of the F-16 was manufactured in Europe on one of General Dynamics' production lines. Belgium, Denmark, the Netherlands and Norway have agreed to donate their F-16 AM aircraft to the fighting Ukraine. Deliveries are scheduled to begin in summer 2024! With 500 COBI building blocks of the highest quality, you can build the world's most popular licensed fighter and attack aircraft F-16® AM FIGHTING FALCON® in the colours of Ukraine for the first time in history! The set has been carefully designed in 1:48 scale. The building blocks feature high-quality prints. The aircraft is equipped with two powerful Storm Shadow cruise missiles (SCALP-EG), AIM-9 SIDEWINDER and AIM-120 AMRAM missiles. The armament is detachable and can be freely configured or placed on other aircraft from the Armed Forces collection! The set includes a figure of a Ukrainian pilot, equipped with a helmet and an oxygen mask with hose. There are prints with the Ukrainian flag, patches of the Ukrainian Air Force and F-16 pilots. The entire set is complemented by a display base made of clamping blocks with a sign with the name of the set, the national flag and the Lockheed Martin logo. Thanks to the intuitive instructions, assembly is easy and poses no problems even for less advanced builders. The set will fulfil the expectations of aviation, military and terminal block fans. The F-16 AM will look great both for an adult collector and in a teenager's room. Make history with COBI! 500 high-quality elements, Produced in the EU by a company with over 35 years of tradition, Meets safety standards for children's products, Fully compatible with other brands of clamp building blocks, Only permanent prints are used, no stickers.
