Product Description

On land and on water: the Sea Crawler is the perfect amphibious vehicle in RC format! Thanks to three powerful electric motors and the 6-wheel drive, the driving behaviour is not only unbeatable off-road, but also offers the option of swimming and driving in water. For routes on solid ground, extra-long shock absorbers ensure extremely springy off-road manoeuvres. With a charging time of just under 5 hours, the Li-Ion battery allows a perfect operating time of 30 minutes under full load. The vehicle comes with a 2.4 GHz remote control system, a 7.4 V/1.200 mAh Li-Ion battery, a USB charger, 4x AA transmitter batteries and detailed instructions.
