Product Description

The perfect symbiosis of luxury and sport: The Bentley Continental Supersports ISR is the ultimate 1:14 scale model to experience the luxury and tradition of the famous car brand. With its grippy tyres, full suspension and differential gearbox, the discreet luxury sports car is razor-sharp on the road. A 2.4 GHz remote control system provides absolute control over the driving behaviour. The LED lighting at both the front and rear ensures perfect staging. The Bentley's doors can be opened. In addition to the 7.4 V/500 mAh Li-Ion battery and the remote control, the vehicle also comes with a USB charger, 2x LR06/AA transmitter batteries and detailed instructions.
