### Product Description

Build a bedroom scene full of warmth and elegance by combining a classic bedroom layout and warm home decor.- Age: 8+- Material: ABS, PVC, Paper- Assembly Time: 60min- Assembled Size: 163\*163\*152mm- Pieces: 95 Rolife Sweet Dream Bedroom Miniature House DW009 features a classic layout of a typical daily sleeping space with a comforting tone of natural wood and creamy yellow. It creates an environment conducive to easy relaxation and peaceful sleep. There are various props to play and colorful illustrations, decorating a warm and elegant bedroom. The sleeping area has an iron-style bed with removable bedding, accompanied by a nightstand with convenient opening drawers. A 360-degree rotating small mirror is on the table in the dressing area, and a spacious storage box is on the side of the vintage-patterned chair, providing a versatile grooming space. The most immersive element in the room is the openable drawers of the cabinets, allowing you to organize small items and personalize this inviting bedroom during assembly.
