FULL POWER AHEAD! - Develop self-confidence through play  
COOPERATIVE  
Self-confidence in sight!  
A huge wave is approaching the lighthouse you are trying to build. Diamonds can slow it down, but to win and achieve your goals, you need to talk to each other, get to know each other and exchange ideas. In Full Speed Ahead! each player chooses a personal goal or a situation they want to improve. Then utilise the experience of others and develop concrete strategies to put into practice. This entertaining game helps players regain confidence in their abilities and can be used in the classroom, with family or friends. It was developed by two Swiss educationalists and is based on the latest neuroscientific research. An ideal tool for parents, teachers and educators.
