Make sure that your cards do not exceed the sum of 17. If you suspect that the sum of the values of the cards played in any order reaches or exceeds 17, call out "17"! Use your bluffing and decoding skills to win. Diciassette (17) is a bluffing game with very simple rules, where special cards provide suspense and twists. Change the direction of play, force the person after you to play two cards or discard the previously played card.
