DICE TRIP GERMANY - Reach your destination with brains and a bit of luck
DICE GAME / ROLL & WRITE
Visit Cologne, drive round Hanover or cross Nuremberg off the map? In Dice Trip Germany, the best choice does not depend on the sights of a city, but on the result of the dice rolls. As with any journey, good planning is the be-all and end-all. Combine the dice so that you create the longest possible, continuous route through Germany! Travel through Germany in this geographical roll-and-write game: roll the dice, choose the best combinations and complete the map. Which cities do you visit and which do you have to skip? It takes tactics and forward planning to outwit your fellow travellers and win!
