Product Description

-Author: Saashi-Illustrator: Ewelina Proczko Winter is just around the corner! The animals of the forest are preparing for hibernation. They want to spend a cosy and pleasant winter. Are you ready to help them? In Hygge, you help the animals of the forest to find and store their favourite things before winter sets in. But be careful - you don't know when winter will arrive! Collect as many valuable objects as possible to win the game. Aim for the row or series of cards that seem most interesting to you and think carefully about which cards you leave to your fellow players. You will need to find a balance between restraint and haste. If you bring in too many objects at once, you could end up losing. However, if you collect too few, you will reap a meagre harvest. -Number of players 2 - 4 - Suitable for ages 7 and up - Playing time 15 minutes - Packaging 110 x 65 x 30 mm
