Product Description

The Fighting Buggy is the reissue of the legendary Super Champ Buggy from 1982. The 1:10 scale model is a new production of the over 30-year-old original with the same driving characteristics, stability and features of the original. The kit comes with a Type 540 engine, aluminium roof and roof spoiler, faithfully reproduced shock absorber suspension, grooved tyres at the front and studded tyres at the rear. Also included are numerous decal stickers that exude the charm of the original, but also add new accents. Required accessories: electronic speed controller, receiver, transmitter, steering servo, rechargeable battery, charger, batteries for transmitter. 2WD kit model, vintage model, 2.5mm FRP chassis, aluminium gearbox housing, aluminium wishbones, aluminium front/rear suspension, 540 electric motor, aluminium mono rear oil-pressure damper, aluminium front oil-pressure damper, aluminium front axle, ball bearings, spiked tyres rear, grooved tyres front, 3-piece rims, ABS body, aluminium roof spoiler, driver figure, instructions. Note: Matching battery: 300155105 Tamiya LiFe Racing Pack 1100/6.6V M-Size. Product details: Technical details: - 1:10 scale kit - The original body has been reproduced from sturdy ABS with an aluminium roof and roof spoiler - Newly designed decal sheet with many of the sponsors of the time and some new motifs - Sturdy and lightweight 2.5 mm thick FRP chassis plate - compatible with the 300055105 TAMIYA LiFe 6.6V battery pack (M-size, sold separately) - Original rebuilt rear suspension with progressive spring and separate oil tank - Front axle with double swing arm - Metal front and rear suspension, closed metal gearbox housing with direct gear drive - Grooved tyres at the front, studded tyres at the rear on 3-spoke rims - 540 electric motor - Original replica packaging with blister. Warnings: Before you start assembling the model, you should have read and understood all the instructions. If a child is assembling the model, a supervising adult should also have read the assembly instructions. Tools including knives are used when assembling the kit. Special care should be taken to avoid injury. If difficulties arise during assembly, ask an adult to supervise the work or a model builder with RC experience or a specialist dealer. Only use tools for their intended purpose. There is a risk of injury if used incorrectly. If you use paint and/or glue (not included in the kit), observe and follow the instructions supplied with the kit. Keep the kit away from small children. Prevent children from putting any components in their mouths or pulling plastic bags over their heads. Caution! Not suitable for children under 14 years of age.
