Product Description

The Volvo FH III series represents the highest expression of the renowned brand's construction technology for commercial vehicles and industrial machinery. Its modern and appealing design has been developed to optimise aerodynamics and reduce fuel consumption to a minimum to ensure the highest standards of operational efficiency. The cab, in its various configurations, including the "Low Roof" version, has been designed to offer the highest standards of active and passive safety. In addition, the vehicle is equipped with modern assistance systems for driving and risk avoidance. There are numerous customisation options for the vehicle to specifically and precisely meet individual transport needs. The "tractor" configuration has been developed to be lightweight and rational, ensuring maximum versatility for any application. Kit model, scale 1:24, 1:24 VOLVO FH Plat Dak, Instructions, decals, Caution! Not suitable for children under 14 years of age. Product details- Detailed model kit in 1:24 scale.- The high-quality kit from Italeri must be assembled by the customer.- The model is self-assembly with the aid of a self-assembly instruction manual. The self-assembly is accompanied by step-by-step and illustrated assembly instructions. The assembly instructions are of course included in the scope of delivery.- Based on the assembly instructions, the precisely fitting individual parts must be assembled. The parts can be painted according to your own ideas.- Tools, glue and paint are not included with the plastic kit. These must be purchased as an option.
