Product Description

1:32 Dt. SdKfz181 PzKpfw VI Tiger Aus.E-Part number: 520010022-Recommended age: from 14 years-Product informationThe free-standing model kit is a replica of a German SdKfz 181 PzKpfw VI Tiger E in 1:32 scale. The detailed reproduction of the weld seams, as well as the movable undercarriage with springs, as well as the enclosed commander figure, which is equipped with a true-to-original uniform, offer the possibility to ideally integrate the stand model kit into a diorama with corresponding scenery. In addition, the movable turret and the movable engine hatch make it possible to display the vehicle in different positions and take a look inside the tank's engine compartment. Some accessories are also included. The tank's winter camouflage paintwork is also faithfully reproduced.-Die-cast floor model, scale 1:32,-Dimensions: approx. 267 x 115 x 94mm-Movable chassis with springs,-Incl. detailed diorama surface,-Rotatable turret, towing shackle,-InstructionsCaution!Not suitable for children under 3 years.
