Product Description

You are influential Amsterdam merchants in the 19th century. You produce many different goods and bring them to the appropriate warehouses. By trading goods and expanding your merchant network in the city, you gain reputation and influence. In each round, you choose cards and dice that give you the resources you need to make decisions. You use these to activate cards, take possession of blocks of houses or move your barge. Do you have the best tactics and have earned more reputation than your competitors? Then you win. Number of players- 1 - 4 people Suitable for people- aged 14 and over Playing time- 60 - 90 minutes
