shipping weight: 2.00 kg
Manufacturer: Queen Games

Product Description

New York is famous for its skyline - building it as impressively as possible is what this game is all about for you. You take on the role of builders and work in different areas. You raise money to pay the members of your team. You also need construction plans to build as many skyscrapers as possible. In each of the five rounds, you build on the district where the mayor is located. And at the end of the game, you receive prestige points for the majority of skyscrapers in the individual districts. - Number of players: 1-4 people - Recommended age: 14 years and up - Playing time: 60-90 minutes - Packaging: 295 x 77 x 295 mm
