shipping weight: 1.50 kg
Manufacturer: Forces of Valor

Product Description

The stand model is a replica of the German battleship Bismarck from May 1941 on a scale of 1:700. The main gun turrets are movable and can be rotated as well as raised and lowered, which means that they can be positioned in a variety of ways. In addition to the main guns, the secondary guns can also be rotated. The detailed diorama surface provides a realistic replica of the battleship. The battleship also includes a model designation which can be attached to the diorama surface. Thanks to the 2 sets of steel ball bearings, the Bismarck can also be moved over even surfaces. The vehicle specification sheet provides important technical data about the Bismarck. Stand model, scale 1:700, incl. detailed diorama surface, aerials and radar systems, incl. aircraft, instructions, Caution! Not suitable for children under 3 years. Choking hazard due to small parts. Product details:- scale 1:700- replica of the Bismarck May 1941- movable main guns- movable secondary gun turrets- with detailed aircraft- with rescue boats- with movable cranes- including detailed diorama area- with antennas and radar system- model designation suitable for the diorama area- including steel ball bearing sets on the underside of the hull
