Product Description

1:72 Brit. Boeing Chinook MK 1 RAF No.7 Item number: 520010065 The stand model is a replica of the British Chinook MK 1. The transport helicopter has a movable loading ramp. A detailed replica of the transport hooks on the underside of the Chinook make the helicopter look even more realistic next to the stand base. The diorama surface and the movable rotors ensure an ideal representation. The helicopter also includes a large number of aeriels. The technical data of the Chinook can be found in the enclosed vehicle data sheet. -Stand model, scale 1:72, -Dimensions: approx. 225 x 53 x 87mm- Presentation stand for stand models, -Incl. detailed diorama surface, -Two movable main rotors, -Movable loading ramp, -Instructions Caution! Not suitable for children under 3 years. Choking hazard due to small parts. Product details- detailed die-cast stand model of the Chinook MK 1 RAF No.7- including diorama surface including diorama surface (landing platform)- plastic base for flight display- with presentation stand for stand models- scale 1:72- dimensions (LxWxH): approx. 225 x 53 x 87mm- including various add-on parts (aeriels and others)- plugs to cover the screws on the underside- die-cast metal chassis- two movable main rotors- movable loading ramp- detailed interior with 2 pilots
