It features easy assembly, a bookend function and touch-activated lighting. The detailed book corner scene captures the essence of a quaint European street. Experience Italy's floating city from a unique perspective with a ride on the classic gondola. It offers a unique perspective of the place as if you were travelling on foot, as the Grand Canal and its networks are the main 'streets'. Venice, also known as the city of masks, invites you to the world-famous Carnevale di Venezia every year at the end of winter. Enjoy the lively performances of musicians, acrobats and dancers in the streets while wearing your feathered mask. Or opt for the classic Italian opera at the Teatro La Fenice (The Phoenix), an iconic building that symbolises the rich heritage of the city's storied past. Relive all these unforgettable moments and more with the Rolife Romantic Venice Book Nook. This DIY puzzle lets you own a piece of the city as it depicts the famous gondola, the Grand Canal, the Teatro La Fenice, a mask shop and a café. This precise and authentically designed toy embodies La Serenissima (the most cheerful city) in a tiny book nook. *Note: Due to customs regulations, the batteries (2 pieces AAA/LR03/AM4 1.5V) may not be included in the package.
