Product Description

Marvel: Crisis Protocol Rejuvenation Chamber Ultimate Encounter The rejuvenation chambers are an important component to the power of Apocalypse. They are impressive Celestial technology that can not only heal those who enter their tech-sarcophagi, but also manipulate and alter the mutants' X-gene. Those who are lucky or unlucky enough to end up in such a chamber leave with radically altered and enhanced powers, but also with a new personality ... The Rejuvenation Chamber Ultimate Encounter expansion pack for the miniatures game Marvel: Crisis Protocol adds a rejuvenation chamber with exciting mechanics and encounters to your team. Take on daring battles in a dark future with the impressive rejuvenation chamber terrain section. For the truly brave or foolhardy, this pack also includes an Ultimate Encounter: Natural Selection. In it, one of you, as Apocalypse and his horsemen, takes on the role of the Cosmic Menace, who want to realise their plan to wipe out the world's weak. Only the members of the Crisis Crew, played by everyone else, can destroy Apocalypse's chamber and thwart his plans before it's too late. A base game of Marvel: Crisis Protocol is required to play. - 2 players - 14+ ages - 90+ minutes
