from 17,52 EUR

Item no.: 397316
shipping weight: 1.00 kg
Manufacturer: TAMIYA

Product Description

1:24 Renault 5 Turbo The stand model is a replica of the Renault 5 Turbo, which reflects a high-performance hatchback model and was developed for the World Rally Championship. Special features such as the large overhanging mudguard are realistically modelled to reflect the vehicle in true detail. The interior of the car and the suspension area have a rich three-dimensional finish. For example, the fabric of the seats is realistically modelled. Kit model, scale 1:24, length: 152mm, incl. interior, suspension, movable rubber wheels, instructions Caution! Not suitable for children under 14 years of age. Product details- 1:24 scale kit model- Length: 152mm, width: 74mm, height: 57mm- Faithful reproduction of the Renault 5 Turbo- Interior, suspension and underside of the chassis are reproduced in detail- Rubber tyres- Driver figure included- Tools and paints required for assembly (available separately)
