Product Description

A game of eye for eye and eye for eye for the right angle! As a nature-loving photographer, you battle your way through wild landscapes and travel long distances to photograph animals in their natural habitat. You wait patiently for the perfect moment. Today your efforts have paid off - the light is perfect and a squirrel scurries past you. But are you using the right lens to capture the scene? In "Redwood", you are a photographer combing through nature, having to plan your movements and judge the distances to the animals in order to take good photos. You can play "Redwood" solo, co-operatively or competitively. - High-quality features- 3 fascinating game modes (solitaire, cooperative or competitive)!- Number of players: 1 - 4 people- Age recommendation: 10 years and up- Playing time: 45 minutes- Packaging: 300 x 300 x 65 mm
