Product Description

Story Box invites you to tell stories together with the two themed boxes Adventure and Dreams & Nightmares. Picture cards are played onto a pile of stories in no fixed order. In a short space of time, a crazy adventure or a crazy (nightmare) dream unfolds. There are no limits to the creativity of the players when interpreting the cards. In the second phase, the story pile is turned over and the story is retold together from memory or card by card. The cards help to remember all the details. Important information - Warning!
