shipping weight: 0.20 kg
Manufacturer: Pegasus Spiele

Product Description

Cthulhu: Snap Breath (Softcover) In fast-moving times, life sometimes throws a big spanner in the works when you want to run world-spanning campaigns or epic adventures. For example, there is a lack of preparation time or the game group cancels at short notice. But should the whole game night be cancelled because of this? Never! Schnappatmung provides seven short adventures with a wide variety of settings and plots that require very little preparation and can regularly be played through in one evening. And when you're finished, the "five-room mansion" will encourage you to put together your own short adventures! May there never be another cancelled game night anywhere and may Cthulhu fill people's hearts with joy (or whatever; it probably has a certain smell of the sea about it ...).
