Product Description

Cloud City is an independent mining colony and a hub for traders and smugglers from all over the galaxy. Trouble is the order of the day, so it's up to Baron Administrator Lando Calrissian to play the necessary political games and conduct dangerous negotiations to keep things running smoothly. The squad pack "Who Have We Got Here?" includes the Baron Administrator of Cloud City Lando Calrissian, his right-hand man Lobot and two security guards to create a strike team for the skirmish miniatures game Star Wars™: Shatterpoint. Calrissian's troubled past as a gambler and smuggler has given him the charisma, aplomb and confidence he needs to overcome the challenges of his position. His right-hand man is Lobot, a cyborg with state-of-the-art neuro-hardware. He is directly connected to the central computer of Cloud City and can operate it without delay. Both are supported by the security forces of Cloud City, a capable police force that is discreet and does not question orders. A basic game of Star Wars: Shatterpoint is required to play. Specification- 2 players- 14+ ages- 90+ minutes Warning! Not suitable for children under 14 years.
