Product Description

A long time ago, a magnificent palace was built in the jungle. It lay abandoned for many years until ... BOOM! ... a curious little monkey brought the whole palace down. Now it's your job to rebuild the monkey's palace. Who can build the most beautiful LEGO® jungle palace? In the competitive family game Monkey Palace, you compete against each other and help the monkey rebuild the LEGO® monkey palace. Build skilfully upwards and create ever longer and higher staircases to get building blocks and banana points and impress the monkey in this innovative and strategic game. Take monkey cards and get more LEGO® bricks for your next staircase. There's not just one way to win - be creative and find a new one every time! This is how you help the monkey brick by brick to the most magnificent palace. 2-4 players 10+ Age 45+ minutes Game content - Game instructions: 1 - LEGO® bricks: 231 - LEGO® board (32x32): 1 - Cards: 84 - Game boards: 4 - Game boards: 4 - Sorting insert for the bricks: 1
