Product Description

Off-road at home! You want uncompromising action? Then the CARSON 1:8 King of Dirt Buggy 4S is made for you! With its extra-slim 3 mm aluminium chassis, the 100 A HOBBYWING 4S brushless set and the 9k steering servo with metal gearbox, the all-wheel buggy is a real monster off-road. Thanks to its waterproof RC components, it can handle anything, even on muddy off-road tracks. The powerful HOBBYWING brushless set accelerates the buggy, which weighs just under 3.5 kg, up to 80 km/h. The low centre of gravity and numerous setup options ensure perfect traction and allow the CARSON King of Dirt to speed over all tracks. The King of Dirt is supplied with an interference-free 2.4 GHz remote control system including failsafe. Ready for the action? Buy - Load - Action! ATTENTION: Not suitable for children under 14 years of age. The packaging must be kept as it contains important information. The illustrations may differ from the product contained in the packaging. TAMIYA-CARSON reserves the right to make improvements and changes at any time.
