## TR01184 - The little explorer - the numbers

from **4,80 EUR**

Item no.: 398162  
shipping weight: 0.50 kg  
Manufacturer: Trefl

### Product Description

"The Numbers" is a learning puzzle that familiarises children with the world of numbers. It practises basic mathematical skills, spatial orientation, classification and ordering, as well as simple sums. The game also provides an excellent introduction to the world of animals, numbers and mathematical quantities. For children aged 3 and over. For 1-4 players. Caution! Not suitable for children under 3 years. Contains small parts that can be swallowed - choking hazard!
