

Item no.: 398175

## TR02271 - Memos classic plus animals

from **5,36 EUR**

Item no.: 398175  
shipping weight: 0.40 kg  
Manufacturer: Trefl

### Product Description

Each game is a progressive memo - it contains various game options with different levels of difficulty. In this way, children gradually learn to deal with increasingly difficult variants. Start with the easiest variant and gradually move on to the next challenges. Cheerful illustrations and interesting suggestions for games and activities encourage imaginative play. Package contents: - 36 cards in 6 x 6 cm format - Instructions - Additional elements (e.g. a game piece) For 1-4 players Attention! Not suitable for children under 3 years. Contains small parts that can be swallowed.
