Product Description

Five Peaks is a game about hiking in the mountains. During the game, you play cards to perform a variety of actions. You develop your decks to become more efficient at moving around and collecting resources. Discovering new locations, building towers of stones on mountain peaks or collecting panoramic views are just some of the ways to score victory points and leave the rest of the other players behind. Who will manage to visit all five high peaks and collect the most points? - For 2-5 players- Recommended for children aged 9 and over! Not suitable for children under 3 years. Contains small parts that can be swallowed - choking hazard!
