With lighting, dust cover, and scenic design, It is a creative home decor and beautiful assembly model. Get a more unique perspective of Italy's Floating City riding the classic gondola. It offers a unique perspective of the place than if you were traveling on foot since the Canal Grande and its networks are its main "roads". Also known as the City of Masks, Venice beckons you to its world-famous Carnevale di Venezia every year at the tail of winter. Enjoy the vibrant performances by musicians, acrobats, and dancers held on the street while wearing your feathered mask. Or you could opt for the classic Italian opera at the Teatro La Fenice (The Phoenix), an iconic building symbolizing the rich heritage of the city's storied past. Then cap off your excursion with rich Italian coffee or espresso and pastries from Caffe La Fenice beside it. Experience all these memorable moments and more with the Rolife Romantic Venice book nook. This DIY book nook puzzle lets you own a piece of the city as it depicts the renowned gondola, Grand Canal, Teatro La Fenice, a mask shop, and a cafe. Designed with such precision and authenticity, this toy is the embodiment of La Serenissima (The Most Serene City) captured in a tiny book nook.
