Product Description

Acquire goods for the production of tinned fish (sardines and mackerel) and pack them in your factory. Sell them to national and international markets and invest your money skillfully to improve your production. In Lata, a "tableau building" game with a clever production mechanism, you can become the best cannery manager in the first half of the 20th century! Tinplate was the main raw material for fish tins. The most common name was "tin" (in Portuguese: "lata") and quickly became the most popular name for the product.- Number of players: 1 - 4- Suitable for players aged 10 and over- Playing time: 20 - 45 minutes- Packaging: 184 x 131 x 43 mm Caution! Not suitable for children under 36 months
