**Product Description**

Velvet Soft Touch is a completely new puzzle experience. The velvety surface and high-quality cardboard make the puzzles even more enjoyable. The pictures presented in the series were designed by exceptional artists in their own unique style. The product comes with a large-format poster that not only makes it easier to put the puzzle together, but also introduces you to the world of the artist and the idea that guided the creation of the illustrations. The Trefl Prime series (Unlimited Fit technology) was created for true puzzle lovers. The special technology makes it possible to assemble any number of puzzles/pictures into a large composition. Thanks to the use of the thickest cardboard, the unique shapes of the puzzle pieces and the special cutting method, you can easily carry the entire puzzle around with you. Create your own collage from the various Trefl Prime puzzles! Trefl has been producing puzzles at its factory in Poland since 1985. Doing puzzles trains concentration, teaches patience and stimulates logical thinking. Doing puzzles together is a great way to connect generations. Caution! Not suitable for children under 3 years. Contains small parts that can be swallowed - choking hazard!
