Product Description

A forest of concentrated colours floods your senses! Create this nocturnal jungle with endless plants that merge into one another. The challenge would be even more difficult if the captivating river didn't light up the scene and guide us on our journey. With this light source illuminating the surroundings and providing landmarks, you can tame the forest and discover the animals lurking in the shadows ...- Suitable for from 10 years- Playing time variable- Packaging 287 x 86 x 133 mm
