Due to the start of the Second World War on 1 September 1939, these aircraft were converted into military transport and reconnaissance aircraft and further aircraft of the same design were produced for the Luftwaffe. **Safety instructions** Recommended for modellers and collectors aged 14 and over. Due to scale and prototypical or functional design, tips, edges and small parts are present. Risk of swallowing. Therefore, keep out of the reach of children under the age of 10!
